

## Bio

---

I am currently a PhD Candidate at the University of Hong Kong, supervised by Professor Ping Luo. My research focuses on Embodied Intelligence, Multimodal Large Models, Reinforcement Learning, Robot Control, and Autonomous Driving. I have published **14 papers** in top AI conferences/SCI Q1 like NeurIPS, ICML, ICLR, CVPR, IJCAI, and IEEE TNNLS, with 1 paper as ICML **Oral Presentation** and 3 as **NeurIPS spotlight** papers. Honored with the **Student Best Paper Award** at ICCAS2020 and nominated for IEEE IV2021's Best Student Paper. Recipient of the prestigious **Hong Kong PhD Fellowship (HKPFS)** and several other academic awards. Visiting researcher at **MIT-IBM Watson AI Lab** and **ETH Zurich Computer Vision Lab**. Active reviewer for NeurIPS, ICML, ICLR, CVPR, IJCAI, and AAAI.

My research interest focus on **Embodied AI, Reinforcement Learning, Representation Learning, Robotic Control** and **Autonomous Driving**.

## Education

---

- **The University of Hong Kong**

*PhD candidate in Computer Science;*

*Aug. 2021 – Present*

- In year 2021, ranks the 22<sup>th</sup> in QS World University Rankings.
- I am supervised by **Prof. Ping Luo**, who was named one of the young innovators by the MIT Technology Review "Innovators Under 35 (MIT TR 35)" Asia Pacific, and co-supervised by **Prof. Xiaoou Tang** (IEEE Fellow, director of MMLAB) and study in the **HKUMMLab**.

- **Tsinghua University (C9, Double First Class)**

China

*Master in intelligent vehicle Engineering; GPA: 3.78/4.0; Ranking 17/64*

*Sep. 2018 – June. 2021*

- In year 2020, Tsinghua University ranks the 1<sup>st</sup> in QS Chinese University Ranking and ranks the 15<sup>th</sup> in QS international University Ranking.
- I obtained the M.Phil Degree under the supervision of **Prof. Bo Cheng** and **Prof. Shengbo Li** at the **Intelligent Driving Laboratory(iDLAB)**.
- Courses with full marks 4.0: "Algorithm Analysis and Design" "Optimal Control" "Applied Stochastic Processes" "Advanced Machine Learning" "Intelligent Transportation Systems Modeling and Simulation" "Statistical Learning Theory and Applications" "Reinforcement Learning and Control" "Vehicle Control Engineering".

- **Harbin institute of technology (HIT, C9, Double First Class)**

China

*Bachelor in Vehicle Engineering; GPA: 92.01/100; Ranking 1/30*

*Sep. 2014 – Jun. 2018*

- Graduated with the honor of "Provincial Excellent Graduate" of Harbin institute of technology. (Top 10%)
- Graduated with the honor of "Provincial Triple-A Student Pacesetter". (**Top 0.4%**, 10 out of 2400 students)

## Honours and Awards

---

- **Scholarships**

- Hong Kong PhD Fellowship Scheme (**HKPFS**)
- HKU Presidential PhD Scholar Programme (**HKU-PS**)
- National Scholarship for 2014/2015 academic year (**Top 1%**, 2 out of 135 students in HIT)
- National Scholarship for 2015/2016 academic year (**Top 1%**, 2 out of 135 students in HIT)
- National Scholarship for 2016/2017 academic year (**Top 1%**, 2 out of 135 students in HIT)
- First-Class Scholarship for 2014/2015 academic year (**Top 10%**, 13 out of 135 students in HIT)

- **Academic Competitions Awards**

- **Student Best Paper Award** in the 20th International Conference on Control, Automation and Systems (ICCAS) (**Top 1%** (5/500) among accepted papers from 25 countries)
- **Finalists for the Student Best Paper Award** of IV2021 (**3/450**)
- 2<sup>st</sup> Prize of National College Student Energy Conservation and Emission Reduction Competition (**Top 5%** in China)
- Meritorious Winner Award in Interdisciplinary Contest in Modeling (**Top 13%** worldwide)

- 2<sup>nd</sup> Second Prize of National College students Ocean Vehicle Design and Production competition (Top 5% in China)
- 3<sup>rd</sup> of National College Student Mathematics Competition (**Top 10%** in China)
- 1<sup>st</sup> Prize (provincial) of National College Student Mathematical Modeling Competition (**Top 10%**, in China)

## • Honours

- **Outstanding Graduate** of Tsinghua University
- **Outstanding Thesis Award**, Tsinghua University
- Provincial excellent student award (**Top 1%** in HIT)
- Provincial excellent graduates (**Top 5%** in HIT)
- Provincial Triple-A Student Pacesetter (**Top 3%** in HIT)
- Outstanding League Member (**Top 10%** in HIT)

## Publications
